

COCHRANE WOLVES FC

2023

OUTDOOR SEASON

RECREATIONAL / IN-HOUSE PROGRAMS U14-U19

PROGRAM OUTLINE

PROGRAM OUTLINE

For players born between 2009 and 2004 who would like to play soccer locally in Cochrane or are interested in developing their skills to prepare themselves to play competitively, we have our recreational/in-house program. The program is designed to provide players of all abilities in these ages, with an opportunity to learn, refine, or master their skills at their own pace, without the commitment of participating in the Calgary based League. The program will focus on creating a fun, learning environment where players can enjoy developing their game with peers their age. All sessions will be held at the Cochrane Rangers Fields and will be delivered by Club Technical Staff and Club coaches.

Registration going live on Wednesday February 1st.
Multi-Sport options will be available.

Our Early Bird Pricing for the Outdoor Season will run from February 1st to March 1st.

If you have any questions, please email directorofsoccer@cochraneminorsoccer.ca
