

Club Technical Staff

Cochrane Wolves FC

ABOUT US

Cochrane Wolves is a fast-developing organization that is striving to meet Canada Soccer's National Youth License standards. We are continually evolving our programming to meet the needs of our players, and currently have six (6) National Licensed staff/coaches, and a Master Coach Developer.

WHY US

As an organization we believe in building meaningful roles that are tailored to the individual's skill-sets, areas of expertise and passion.

THE ROLE

The role of the Technical Staff is to deliver on-field programming in alignment to the Club's technical plan, and to provide meaningful feedback and ideas to support future growth and development as an organization. The role can include coaching a team.

KEY RESPONSIBILITIES:

1. Deliver on-field sessions.
2. Provide meaningful feedback to players through the Club's tracking software/app.
3. Communicate with players, coaches, coach developers, staff and parents on an on-going basis.
4. Be active in Technical meetings with valuable input.
5. Work as part of a TEAM.

KEY ATTRIBUTES

1. Believes in the process and is focused on player development.
2. Strong communication and leadership skills.
3. Is passionate, energetic and enthusiastic.
4. Open Minded and willing to receive feedback.
5. Committed to personal development.

APPLY

To be considered for a position please send your resume, an outline of your player development philosophy, the number of hours you are seeking and your salary/pay expectations to directorofsoccer@cochraneminorsoccer.ca

We will connect with every applicant about their next steps. Our primary goal is to identify individuals who demonstrate the above attributes and are aligned in our goals of player development.

Once we have identified those individuals, we will meet with each person to build out a position that is both meaningful to the person, and Club.

FINAL NOTE

Please specify if you are seeking a Casual, Part-Time, or Full-Time position. Please provide an expected hourly rate OR a salary range.

Applications will be reviewed on an on-going basis.
