OUTLINE

- *Our day-time program is designed to support children who are home-schooled.*
- *Our skill-centre sessions focus on 4-corner development: social, physical, technical and tactical development. Each week-day session will have two game-based stations and two ball-mastery activities designed to improve the technical competencies of the player in a fun environment.*
- *Players will initially be grouped by age.*
- *The program will include dedicated game-days.*
- *All coaches delivering our programming are Canada Soccer Licensed.*
- *The goals of the program are to provide a fun, inclusive, learning environment for every child.*

REGISTRATION

- *Registration goes live on Monday July 24, 2023*
- *Our Early Bird Pricing for the Indoor Season will run from July 24 to September 1.*
- *Registration options will include individual block OR Seasonal Registration.*
- *Each time-slot will have limited capacity.*
- *If you have any questions, please email directorofsoccer@cochraneminorsoccer.ca*
