PLAYER PATHWAY CWFC

OUTLINE

As we continue to progress and evolve so does our player pathway. Within the 8-12 year old age group we will now have four levels of programming.

The purpose is to ensure each level becomes more clearly defined and the competencies/mindset of all players within each level are closer.

For the 2026 Outdoor Season our Competitive and Player Development Programs will be two separate programs that both compete in the CMSA League.

OVERVIEW PROGRAM COMPARISON

OUTLINE

The table below outlines the key information and provides a comparison of our competitive and player development programs.

For players within the competitive program who seek further training opportunities we will be providing additional specialized training programs to improve technical competencies.

To ensure we do have a place for every child to play we will offer both Player Development and Competitive programming in every age group.

TIMELINES PLAYER ASSESSMENT & EVALAUTIONS

OUTLINE

To ensure all players are placed in the program that best fits for their level of development and aspirations, we will hold player assessments for all competitive and player development registrants.

PURPOSE

- To provide all players a fair opportunity to trial for a spot in either program.
- To give players different experiences that may push them out of their comfort zone.
- To connect with individual players and families throughout the process.
- To ensure all players are in the right environment for their development.

ASSESSMENT TIMELINES

March 9-15

- Player assessments will be held during this period.
- Players will have the opportunity to trial in the program of their choosing.

DEADLINES

March 6th

- Competitive and Player Development Registration Deadline. Only players registered by this date will be considered when forming and entering teams into the CMSA League.

March 28th

- Provisional Rosters and Teams will be finalized and shared on this date.
